Trusted Services for Justice Involved People

Sanctuary specializes in supporting individuals transitioning from prison, providing a comprehensive pathway to recovery for those battling substance abuse. Their services extend beyond rehabilitation, offering supportive housing, case management and life skills training to ensure a smooth and successful reintegration into society.

Planning Your Next Move
Leaving confinement can be challenging. Link up with Sanctuary to make the most of your first weeks out.

Substance Use Disorder and Mental Health Services
Comprehensive drug and alcohol rehabilitation services paired with licensed therapists for holistic healing.

A Community that Cares
We're more than a treatment center - we're a community that suppports one another.
